Attention! Important notice! Unemployment funds will not be able to make any payments between 19 December 2025 and 6 January 2026!

Job-Room will be unavailable and unemployment funds will suspend payments between 19 December 2025 and 6 January 2026.

In order to receive payment, you must submit your IPA form before 12 noon on 19 December.

In view of the interruption to the payment system, we recommend that you submit your IPA form for December 2025 as soon as possible from 4 December 2025.

If you are missing any third-party documents (interim earnings certificate or labour market assessment - MMT), you can submit these certificates at a later date.

However, you must submit all your job search records for the month of December to your ORP by 5 January 2026 at the latest: by email, post or by dropping them directly into your ORP's letterbox (take a photo of the deposit to be on the safe side).
